SKILLS

* CSS

* HTML

* **REACT JS**

Especially skilled in React Component Development,React Hooks Usage,React Router Navigation,Props & State Flow

***JAVA SCRIPT**

* **JSON DB knowledge in JSON Data Handling, API Integration**

PROJECT

E-Commerce Web Application, (Online Shopping WebSite)

- Built a complete eCommerce web app with product listing, filtering, search, and detailed product pages using React.
- Implemented add-to-cart, quantity update, order form, and user login/logout using JSON Server for backend data.
- Developed a fully responsive UI using reusable components, useState, useEffect, and useContext for smooth state and global data management.

INTERNSHIP

REACT DEVELOPMENT

- Learned core React concepts during my internship and completed hands-on projects, including an E-Commerce app. Gained experience in advanced features like Context API, reusable components, and responsive UI cards.
